Incorsa Cup 2026

Dear shooters! It is a pleasure for us to host you at the Incorsa Cup 2026 competition.

The history of this series of matches started back in 2006, when our club hosted the first edition at the Zielonki 'Twierdza' shooting range.

Since then, we have held the cup every year, with the only exception being the pandemic year 2020 — it was run on the Shooting Academy shooting range, Starachowice 'Świt' shooting range, Drużbice 'Sigma Shooting' shooting range, MCS Bochnia shooting range, and TAS shooting range.

And that makes this edition a special one. For better or worse, this is not only our 20th edition, but also the last one.

Yes, you read that correctly — due to certain circumstances, this is the last in the series. To honour all previous editions, Match Directors, Range Masters, Range Officers, Shooters, and everyone else who helped design stages, build and run them, having fun on them... and sometimes not so much fun (no one likes DQ, but safety first!), we decided to pay tribute by using stages from different years, starting from the very first one.

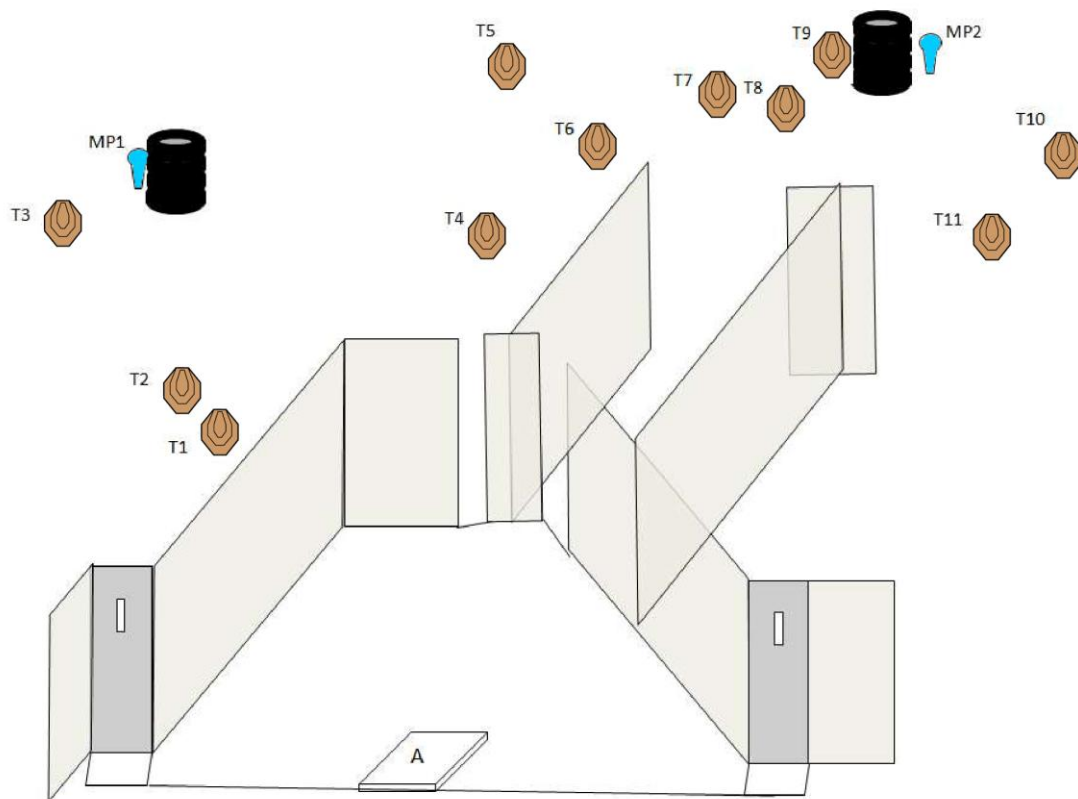

So, you will have a unique chance to see history come alive — only now, only in this match.

We hope you enjoy it.

DVC.
